

Constant working conditions

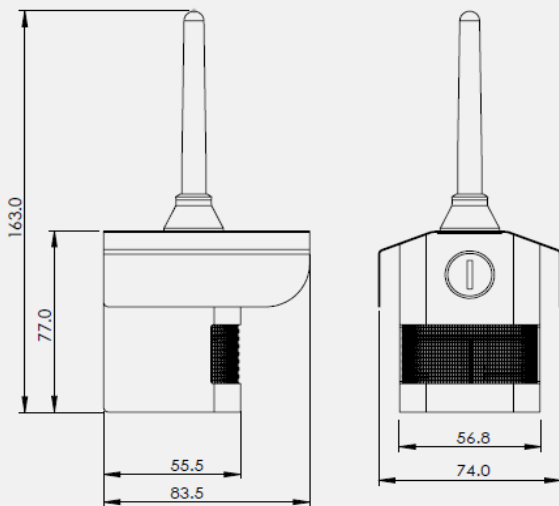

Temperature: -30°C – +60°C

Humidity: 0 - 100%

Pressure: 800 - 1200hPa

Measurements

PM1, PM2.5, PM10, temperature (°C), air pressure (hPa) and humidity (RH)

Size

Case material:	Stainless steel
Weight:	440g

Dimensions

X	74mm
Y	75mm
Y*with antenna	165mm
Z	83.5mm

Power Supply

Powered by: 5V@2A from external USB
Power supply: (230V/110V)
Power supply cable length: 3m
Maximum cable length: 5m
Solar power supply: available
Power consumption: Average Power: 1.2W
Max. Power: 2W
Energy consumption (per 24h): 0.0288kWh
Energy consumption (per year): 10.5kWh
